

IN THE SPECIFICATION:

Please amend the specification as follows:

On page 6, between lines 18 and 19, please insert the following paragraph immediately above the heading "Brief Description of the Drawings":

-- According to an embodiment of the invention, the incapacitating agent is present in an amount of about 0.18% to about 3% by weight of the solvent system.

According to another embodiment of the invention, the incapacitating agent is present in an amount of about 1.4% to about 1.5% by weight of the solvent

system. --
